TERMS AND DISCOUNTS

TERMS: 2% DISCOUNT TEN DAYS (from date of invoice). **NET 60 DAYS**, which is **FINAL** due date and will be past due after said date. Interest charged 6%.

The prices named in this list cancel all previous lists.

Prices named in this list are based upon present market conditions and are subject to change without notice. These are Wholesale Prices and apply upon the following quantities:

250 or more at 1000 rate (where published).

30 to 250 at 100 rate.

Under 25 at 10 rate.

ALL PRICES ARE NET, BOXING AND BALING EXTRA. NO CHARGE FOR PACKING BULK CARS.

SHIPPING—Please give shipping instructions whether by freight or express and route. If no instructions are given we will forward to the best of our judgment, without assuming responsibility. All goods travel at the purchaser's risk and expense.

TRUCK SERVICE—We are able to offer truck service within a radius of 300 to 500 miles from Onarga, Ill. Charges average about the same as railroad rates with delivery at your door. If interested write for further information.

CAUTION—We will accept all orders subject to crop conditions and on condition that same shall be void should injury befall our stock from hail, fire, frost, error in count, or other causes beyond our control.

GUARANTEE OF GENUINENESS—If any nursery stock proves untrue to description or variety name under which it is sold, we hold ourselves in readiness, on proper proof, to replace such nursery stock that may prove untrue to description or name, or refund the original amount paid. We shall in no case be liable for any sum greater than the amount originally received for said nursery stock.

CLAIMS for any cause must be made promptly on receipt of stock. We will not entertain claims after goods have been once accepted, or when report is not made within **TEN DAYS** after arrival of stock. We express or imply no warranty as to productiveness or life of the nursery stock we sell and will not be in any way responsible for the results secured in transplanting.

INSPECTION and FUMIGATION—Certificate of inspections is furnished with each shipment and stock will be fumigated when required.

Onarga Nursery Trencher

This is something new in a trencher for the planting of young shrubs, plants and trees. Made with three interchangeable beams. Illustration shows beam No. 1.

Beam No. 1 is the middle breaker type; it cuts the dirt, moves it to the surface, and deposits it on each side of the trench, thus giving an abundance of soft earth for bedding around the roots of the young plants. This beam is best adapted for light or sandy soils.

Beam No. 2 is side delivery type; it brings the dirt to the surface and deposits it on the side of the trench. We use this in heavy soil where the pull is too heavy on the team to cut the entire depth the first time through. We make a round with the machine to each trench thus depositing the dirt on each side, but cutting only half the depth each time through. The old style trencher packs the dirt on each of the walls of the trench and if the soil is heavy or a little wet it produces a hard smooth surface and the planter is often times hard put to find enough soft dirt to bed the roots of the young plants properly.

Beam No. 3 is for planting hard wood cuttings direct to the field. It drives a trench $\frac{3}{4}$ of an inch wide and to a foot in depth; thus properly handling the longest grapevine cuttings.

These three beams are interchangeable and all work on the same frame. The cutting depth is controlled by a lever handle operated from the seat. Trenchers are equipped with marker adjustable for three, three and one-half, or four foot rows. Neck-yoke or eveners not included.

Trencher with beam No. 1	\$125.00
Trencher with beam No. 2	120.00
Trencher with beam No. 3	110.00
No. 1 Beam only	75.00
No. 2 Beam only	55.00
